Job Well Done!

Seven brave souls faced down the terrors of bringing order to the Club's storage unit. For two hours on Saturday, September 9, 2017, this group first emptied the storage unit, then placed those items in plastic bins, and finally moved the bins back into the storage unit.

When the team first arrived at the Storage unit, you literally could not walk into the unit because it was so packed with loose stuff. The team included **(PDG Bill Mulkey, Bob O'Brien, President Rick Otness, Mike & Claudio Parks, Teak Pacetti, and Rick Woods)** quickly sized up the situation and then followed a methodical plan.

They removed everything from the storage unit and sorted items by activity (Governors Ball, 4th of July, RunDunwoody, Archive materials, GRSP , and general supplies). Once items were grouped by activities, the items were containerized into bins, so the items could easily be transported to and from events. Finally, the bins were placed on the storage unit's shelves in areas dedicated to the specific event.

The result can be seen in the attached photos. Please thank these brave souls. We had a great time, imbibing coffee and Munchkins from Dunkin' Donuts while making the storage unit safe for all Rotarians (and workable). Although this isn't something flashy, it will pay big dividends by allowing the Club to operate more smoothly and readily handle big events.

By-law Changes Related to Membership Categories

On **Wednesday, September 6, 2017**, you should receive a formal notice of two proposed changes to our Club's By-laws. 

The email will contain the exact wording of each amendment, as well as the procedure for casting an absentee ballot should you plan not to attend the Club's normal **Friday, September 15, 2017**, at which time the amendments will be voted upon by the Membership.

Please keep an eye out for this blast email.

"Member Passions" Survey

We want to present the results of the Member Passions survey tentatively by the **September 29, 2017, or October 6, 2017 the latest**. We will need at least two weeks to properly analyze and then summarize the results.

As of now just 36 of you have completed the "Member Passions" survey (~40% of the membership), leaving 55 of you with a big "to do". Most of those that have responded are either present or past Board members. In fairness they (more than most) know that this survey will move the needle and possibly change what the Club does. Our challenge is to get virtually all the members to fill out the survey.

The bad news is that the survey will take about 25 minutes to fill out, but the really good news is that it will allow the Club to do more things that really matter to you. It will define the passions that we will try to tap into.

Until we know the results, we can't say for certain what the impact will be, but it is essential that we hear from each one of you. Don't let the opinions of others determine the Club's direction because you chose not to participate. This is a chance to have real input and impact.

Sign up now for Tour of Grady Memorial Hospital

A few weeks ago our speaker was Frank Blake, Chairman of Grady Hospital Corporation. We learned many interesting things about Grady and the services they offer the greater Atlanta metropolitan area. They are nationally rated and provide outstanding services for burn victims, stroke patients, ER services and many other medical conditions.

Out tour date is **Thursday, November, 16, 2017 at 11am.**

Our plan is, hopefully, to have volunteer drives so we can carpool. Dependent upon the number of cars, the hospital will reserve spaces for us in the employee parking deck. It is always fun to ride together and share Rotary ideas and get to know each other better. Please sign up and check off if you are willing to drive on the sign up sheets. The sheets will be on the tables during our meeting or RSVP to **Past President Kathy Brandt** no later than **Friday, September 22, 2017.**

The hospital has requested us to let them know by the 22nd so they can starting organizing and planning resources to be our guides.

RCD Caring Hands

An oft-quoted maxim says, "*No one cares how much you know, until they know how much you care*". - Theodore Roosevelt

The cards for members and their families that circulate during our meetings are one way to express shared joy over good news or shared concern about difficulties experienced. As one of our members recently stated at his return from surgery, getting a card with heartfelt greetings from all the members present helped him feel better

and heal sooner.

Once we know our friendly breakfast club is also a caring club, our dedication to "*Service Above Self*" is stronger and we look forward to participating in projects and events with other Rotarians. If we are in need of a service, the first call made will be to a Rotarian.

So, if you are aware of an approaching or past event worthy of celebration or concern, please tell **Dottie Toney-Ransom** at toneydot@me.com. You can also write it on either a yellow card (for joy) or a blue card (for concern) and leave it on the table, or place it in Dottie's hand at the end of the meeting.

We ARE a very caring club! Thank you for helping to make it so.
